NEW

PRECUT INSOLES

COVERED ALIPLAST

Leather-like absorbant, brown, poron-covered AliPlast 6A precut insoles add the finishing, professional touch — especially important in balancing orthotics where long life is sought. These insoles, like uncovered Ali-Plast 6A, are 1/8" thick and will dynamically form to the foot. Packed 4 pairs per polybag — small, medium and large; mens or womens.

#2005 Covered AliPlast Insoles \$17.40 per dz prs.
